

## **RECURSO DE FUERZA (RdF)**

Recurso de Fuerza (RdF) is a 24-hour, 34-unit, non-congregate housing navigation center that will be built in partnership between the County of Monterey, the County of Santa Cruz, Dignity Moves, and Westview Presbyterian Church.

RdF will initially serve unhoused occupants of the Pajaro River. Giving occupants of the river an alternative place to stay will minimize disruption to upcoming repairs and construction to the levee.

Program participants will be offered housing navigation and intensive case management which will include linkages to job placement programs, and mental health, physical health, legal, and immigration services.
